RE: Pre-White House Conference Results

I am pleased to submit the report from our April 18, 2005 Governor's Pre-White House Conference held at Oshkosh, Wisconsin. Over 420 older people and professionals in the field of aging from across Wisconsin caucused on eleven (11) topic areas. The enclosed report reflects these topics and the recommended solutions adopted by the general assembly at the close of the conference. The topic areas were not prioritized by the group, but the solutions within the topic areas are presented in priority order.

If you have any questions concerning this report or the event, please feel free to contact Gail Schwersenska, Chief of the Aging Network Operation Section at 608-266-7803 or at schwega@dhfs.state.wi.us
